# BAIN-MARIE CHOCOLATE MAKER

The **CAMURRI BAIN-MARIE CHOCOLATE MAKER** is a professional unit ideal for the preparation, cooking, keeping and service of an excellent hot chocolate, cooked as in the best traditions "à l'ancien".

Thanks to the special **Camurri Bain-Marie System**, which completely envelops the unit, the organoleptic characteristics of the product are valued and stored perfectly, without alterations or uneven temperature. The beverage is kept homogeneous and at constant temperature by thermostatic temperature regulation and the practical internal mixer.

The **CAMURRI BAIN-MARIE CHOCOLATE MAKER** is also ideal for any other products such as creams, spreads, chips/bars of dark chocolate to melt, sauces, soups, broths, mulled wine and drinks in general.

Indispensable for chocolate-shops, cafeterias, pastry shops, ice cream shops, hotels, catering, tea rooms, artisan producers and industries of semi-finished products and ice cream, it is also suitable for use in restaurants, bistros and canteens in general.
